Experienced in inventory valuation, COGS analysis, General Ledger reconciliation, month-end closing, and management reporting. Proficient in SAP, Excel Power Query, Accurate with a proven track record of improving reporting efficiency through process automation and delivering accurate financial insights to support business decisions.

WORK EXPERIENCES

PT Pinus Merah Abadi (Nabati Group), Supervisor Accounting **Apr 2026 – Present**

- Lead sales and inventory accounting activities across multiple distribution areas, ensuring accurate COGS, inventory valuation, journal postings, and month-end closing.
- Review and reconcile sales and inventory transactions between SAP, General Ledger (GL), and operational data to identify and resolve financial discrepancies.
- Analyze SKU-level sales, COGS, inventory movements, and profitability to support financial control and management decision-making.
- Monitor and analyze key inventory accounts, including Ending Stock, Stock in Transit (SIT), Inventory Balance, Bad Stock, and inventory impairment.
- Coordinate with distribution areas and cross-functional teams to resolve billing, inventory, and accounting discrepancies while strengthening internal controls.
- Drive process improvements through Excel VBA and Power Query automation, reducing reconciliation and reporting processing time by up to **62.5%**.

PT Budi Agung Sentosa, Cost Accounting **Jun 2024 – Mar 2026**

- Verified and recorded inventory transactions for raw materials, WIP, and finished goods with high accuracy and compliance, ensuring on-time financial reporting for 18 consecutive months.
- Conducted inventory reconciliation between physical stock and system data, accurately resolving discrepancies to prevent reporting delays.
- Identified inventory depreciation discrepancies between physical stock and system records, contributing to the prevention of potential losses due to excessive raw material usage.
- Prepared COGS reports and detailed inventory analyses to support management decision-making and cost control.
- Supported the establishment of a new division's reporting system by learning cross-division processes, enabling timely and accurate financial reporting.

PT Budiarsih Excellent Sukses Mandiri, Accounting Staff **Jan 2020 – May 2024**

- Designed and calculated budgets for tour activities, supporting cost planning and financial control.
- Successfully developed and implemented a Microsoft Excel–based bookkeeping and invoicing system within the first year, enabling real-time financial monitoring.
- Prepared accurate and structured company financial reports, improving reporting quality.
- Supported the transition from manual accounting processes to automated systems using Jurnal.id.

Administration, PT Budiarsih Excellent Sukses Mandiri **Aug 2018 – Dec 2019**

- Prepared data and assisted in processing client visas for multiple countries (Schengen, Korea, Japan, Australia, and USA).
- Successfully increased company revenue by 35% and grew Instagram followers through Instagram Ads optimization and improved content strategy.
- Played a key role in the end-to-end process of obtaining the company's Umrah license, supporting compliance and business expansion.
